

Child Find Responsibilities

As required by Ohio law, the School shall adopt and implement written policies and procedures that ensure all children with disabilities residing within the district, including children with disabilities, regardless of their situations, who are in need of special education and related services are identified, located, and evaluated as required by Federal Law. The School's policies and procedures shall be approved by the Ohio Department of Education.

For the purposes of this policy, "child(ren) with disabilities" is defined to include a child with an intellectual disability, a hearing impairment (including deafness), a speech or language impairment, a visual impairment (including blindness), a serious emotional disturbance, an orthopedic impairment, autism, traumatic brain injury, an other health impairment, a specific learning disability, deaf-blindness, or multiple disabilities, and who, by reason thereof, needs special education and related services.

This policy extends to students who are:

- advancing from grade to grade;
- enrolled in a private school;
- highly mobile; and
- are home-schooled.

To meet the requirement of an effective and practical system for identifying and assuring that all children within the local school district are receiving special education and related services are accurately accounted for, the School shall publish a Child Find Notice in a newspaper of general circulation in the School's geographic area. A model Child Find Notice may be found in Form No. 3740.1.
